

Collin Block

MSW, CSW, LGSW, LMSW, QMHP

Education & Training:

Collin Block obtained his Bachelor of Arts in Psychology from Augustana College (University) in Sioux Falls, SD. He went on to complete his Master of Social Work degree through the online MSW program at the University of North Dakota in Grand Forks, ND. Collin holds master's level licensure in South Dakota (CSW), Minnesota (LGSW), North Dakota (LMSW), and Iowa (LMSW). He is actively working in supervision toward his clinical license to be a Certified Social Worker to engage in Private, Independent Practice (CSW-PIP). He also holds certification as a Qualified Mental Health Professional (QMHP) in the state of South Dakota.

Experience:

Collin has worked in numerous roles in healthcare for the past five years. He spent two years in case management in the clinic setting, a year as a hospital social worker, and a year as a social worker in the LTC/nursing home setting. He also worked as a resident counselor at a youth shelter program for a practicum placement. Experience with a broad variety of populations has sharpened his clinical skillset in conjunction with various trainings in Cognitive Behavioral Therapy (CBT), Dialectical Behavior Therapy (DBT), Motivational Interviewing, Mindfulness-Based Cognitive Therapy (MBCT), and crisis intervention. Currently at Avel eCare, Collin provides telehealth services to patients of all ages through state-of-the-art interactive video communication. Collin's goal and professional responsibility is to protect, empower, and advocate for those suffering from mental or behavioral health issues.
